Live Local: Learn Local

Community Gardening

Practical Permaculture

CE4904

Date and time: 10am-12.30pm on Thursday June 6th, 13th, 20th 27th (2pm-5pm) and July 4th, 11th and 18th (10am-12.30pm)
Venue: Willows High School Adult Learning Centre
Tutor: Michele Fitzsimmonds

Learn how to grow food using permaculture and organic food growing techniques. This course includes seed sowing, transplanting, potting on, natural soil management, natural pest management and weed management.

18 hours, 10 credits, level 3

In collaboration with the First Campus Adult learning programme, Live Local Learn Local is Cardiff University's outreach programme that delivers short courses in community settings to encourage people to consider further and higher education. All courses are FREE, accredited at Level 3 and run for 18 hours in community venues. There are NO previous learning requirements.

If you are interested in any of our courses, please contact:
